1. (Confidential - GLC) Mrs. Frances Funk, Senate Armed Services Committee staff, called in connection with the followup material we provided the staff in response to a question raised by Senator Symington during DOD testimony before the Committee on the Okinawan Reversion Treaty. Mrs. Funk said DOD had been asked by the Committee to make a security review of this classified testimony in order to sanitize it for publication. She asked if we were participating in that review. I told her that as far as I knew we were not and that a query through Agency channels to DOD had not confirmed that DOD was in fact conducting such a review of the testimony. We agreed to double check on this and be back in touch on it.

9. (Confidential - JGO) At his request, I met briefly with Mr. Richard Moose, Staff Consultant, Senate Committee on Foreign Relations, who asked if we could assist the Committee in getting copies of the Executive Order or whatever that underlies the President's announcement of 5 November concerning the reorganization of the intelligence community. I told Mr. Moose that I had discussed this matter with Jim Lowenstein, of the Committee staff, before he went into the hospital and had advised Mr. Lowenstein that the Federal Register of 8 November listing the Presidential documents of the week of the 5th identified a single document that was identical in text to the published release of 5 November. Mr. Moose commented that apparently the Committee will have to address its question to the White House to which I agreed.

10. (Internal Use Only - JGO) Met with Mr. Robert Biles, Senate Foreign Relations Committee staff, and gave him a map for use in coming to Headquarters next Tuesday, 7 December. Messrs. Biles and Blum and Miss Ann Hollick will be meeting with Mr. George Carver, SAVA, to discuss a series of questions on the "Pentagon Papers." See Journal of 1 December.

11.
